# BREWCLEAN

## SPRING 2024

### CIP Cleaners

#### ALKALINE CIP

##### Heavy Duty Chelated Alkaline Cleaner

Premium chelated alkaline cleaner specifically formulated for use in breweries, bottling operations, and other beverage manufacturing applications. BREWCLEAN Alkaline CIP is ideal for use in keg washers and in-tank ball-head spray applications, as well as for cleaning of kettles, stainless steel tank interiors and other materials surfaces that are impervious to strong caustic solutions. Made in Canada

20 L	\$148.20 (\$7.41/L)	208 L	\$768 (\$3.69/L)
32 L	\$164.48 (\$5.14/L)	1000 L	Contact For Pricing
56 L	\$259.84 (\$4.64/L)		

#### POWDERED BW

##### Non-Caustic Powdered Alkaline Detergent

Premium alkaline detergent effectively removes heavy protein soils and carbon. BrewClean Powdered BW removes stains and debris in hard to reach areas, yet is safe for use on soft metal and plastic parts of equipment commonly used in beverage manufacturing and canning operations. Made in Canada.

10KG	\$104.84 (\$10.48/kg)
20KG	\$182.33 (\$9.12/kg)

#### ACID CIP

##### Concentrated No-Foam Acid Cleaner & Scale Remover

Concentrated Nitric Acid and Phosphoric Acid blended no-foam cleaner and scale remover for use in breweries and beverage manufacturing plants. BrewClean Acid CIP is effective for the removal of carbonate and oxalate deposits from tank interiors, kettles, and heat exchangers. Made in Canada.

18.9L	\$153.60 (\$8.13/L)
208L	\$796 (\$3.83/L)

#### BRITE WASH

##### Heavy Duty Chlorinated Alkaline Cleaner

Low-foam chlorinated alkaline cleaner formulated for CIP and circulation cleaning of product lines. An effective solution for removing protein soils and residues that negatively impact the flavour of beverages. Ideal for tap line cleaning. Made in Canada.

10 L	\$71.65
20 L	\$124.72

#### Money Back Guarantee

\*Pricing and availability is subject to change without notice.

## Sanitizers

### PAA

#### Powerful Broad Spectrum Peroxyacetic Acid-based Sanitizer

Peroxyacetic acid antimicrobial agent used in sanitizing applications for beverage manufacturing and bottling operations. BrewClean PAA is commonly utilized as an institutional use sanitizer for pre-cleaned, non-porous beverage contact surfaces such as kegs, tanks, and lines. Made in Canada.

20 Litre	\$178.89	(\$8.94/L)
32 Litre	\$211.84	(\$6.62/L)
56 Litre	\$334.88	(\$5.98/L)
208 Litre	\$988.00	(\$4.75/L)
1000 L	Contact For Pricing	

### QUAT 10

#### Multi-Use Liquid Quaternary Ammonium Concentrate

Disinfectant and Sanitizer for use where disinfection, sanitization and deodorization are of prime importance. Quat 10 is formulated to disinfect per-cleaned hard surfaces and to deodorize areas that are generally hard to keep fresh smelling. QUAT 10 controls mold and mildew and the odors they cause on hard, non-porous, inanimate surfaces. Made in Canada.

4 L	\$37.44
20 L	\$129.20

### VITAL OXIDE

#### Chlorine Dioxide-based Disinfectant

Vital Oxide is a premium disinfectant solution which is effective against 99.999% of pathogens including bacteria, viruses, molds and mold spores and is easy on the environment—it is 100% biodegradable and will not damage contact surfaces.

3.78 L	\$52
Case of 4 (3.78 L)	\$180

## External Cleaners & Foaming Products

### CHLOR-FOAM

#### High Foaming, High Detergent Chlorinated Cleaner

A high foaming, high detergent general purpose chlorinated alkaline cleaner for use in breweries, beverage manufacturing plants, and bottling operations. BrewClean Chlor Foam is effective for removing fat, protein, and starch from stainless steel and glass process equipment. Made in Canada.

10 L	\$73.94
20 L	\$128.60

### CAUSTIC FOAM

#### Heavy Duty Foaming Alkaline Cleaner

Premium concentrated foaming alkaline cleaner for use in breweries, beverage manufacturing plants, and bottling operations. BrewClean Caustic Foam is effective for the removal of soils from tank exteriors. Made in Canada.

10 L	\$68.17
20 L	\$118.55

## External Cleaners & Foaming Products Cont...

### ACID FOAM

#### High Foaming Concentrated Acid Cleaner

Premium acid-based foaming cleaner and descaler for use in breweries, beverage manufacturing plants, and bottling operations to remove residue and scale. BrewClean Acid Foam is ideal for removing soils and mineral deposits, and brightening stainless steel surfaces. Made in Canada.

10 L	\$77.52
20 L	\$134.82

### ORANGE SOLV

#### Versatile Natural Based Cleaner and Degreaser

Orangesolv is a highly concentrated, natural based, water soluble cleaner and degreaser with a pleasant orange fragrance that is safe for use on all surfaces. It is an excellent degreaser with high foaming abilities and is highly concentrated making it an economical choice. Made in Canada

4 L	\$32.44
20 L	\$116.28

## Food Grade Acids

### 88% LACTIC ACID

#### Food-Grade 88% Lactic Acid

Often used in brewing to add tart and sour flavours. Adds a finishing touch to flavour and complexity.

12 kg (10 L)	\$183.12
24 kg (20 L)	\$328.40
38 kg (32 L)	\$483.96
67 kg (56 L)	\$824.65
250kg Drum	Contact for Quote

### 75% PHOSPHORIC ACID

#### Food-Grade 75% Phosphoric Acid

Commonly used to lower the pH of sparge water, adjust the pH of wort and for acidifying beverages.

15 kg (10 L)	\$175.73
31 kg (20 L)	\$314.98
49 kg (32 L)	\$463.60
86 kg (56 L)	\$789.95
320 kg Drum	Contact for Quote

## 0.4 GALLON FOAM UNIT

F1.5L

Sanitize tap room basket floor drains with this hand held unit. Also great for window and spot cleaning.  
\$84.63

## 0.4 GALLON SPRAY UNIT

SP1.5L

Table and bar top sanitation made easy with this ergonomic alternative to traditional trigger sprayers. Spray in any direction, even upside down.  
\$71.99

## 0.4 GALLON FOAM UNIT WITH DRAIN ATTACHMENT

F1.5L-DP3.75

Prevent fruit flies and odors with a 3.75 inch attachment that covers sink drains for complete kitchen sanitation.  
\$119.88

## 2.6 GALLON DUAL-POWER FOAM UNIT

F100

Light enough to be carried on a brewer's platform, this unit can be pressurized with compressed air and moved to the area to be cleaned.  
\$459.48

## 1.3 GALLON FOAM UNIT WITH DRAIN ATTACHMENT

F5.0L-DF

A mid-size pump-up for small tank cleaning, general tap room and drain sanitation.  
\$244.99

## 10 GALLON FOAM UNIT WITH ZERO & FAN TIP WANDS

FI-10N-QCW

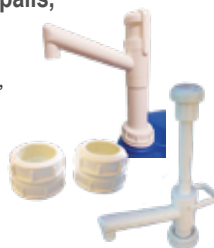

This portable unit can throw foam far enough to clean brew tanks 10-20 feet tall.  
Contact For Pricing

## PUMPS & FITTINGS

**Pumps and fittings in-stock for all types of pails, carboys and drums.**

A drum pump, also known as a barrel pump, is a portable pump designed to transfer fluids from barrels, drums, or other large containers. Drum pumps are available in a variety of sizes and configurations. Contact for details & pricing.

## 99% ISOPROPYL ALCOHOL Premium Isopropyl Alcohol, Technical Grade

20L \$178.60

### Money Back Guarantee
